Medibio Limited – 23 October 2019

Medibio to Participate on Panel at Garmin Health Summit APAC

Melbourne, Australia and Minneapolis, MN – 23 October 2019: Medibio Limited (MEB or the Company)(ASX: MEB)(OTCQB: MDBIF), a health technology company today announces David B. Kaysen, Chairman, CEO and Managing Director has been invited to participate on a panel during the Garmin Health Summit APAC 2019.

The panel discussion *Beyond piloting: Long-term commercial success with digital health solutions*, will be held on Friday, 25 October 2019, 2pm. Panel participants include:

Na Jia, CEO, ReMark International
David B. Kaysen, Chairman, Managing Director & CEO, Medibio
Ph.D. Peter Wu, CEO of ASUS Cloud & ASUS Life Corporation
Prof. Feipei Lai, Secretary in Medical Affairs, National Taiwan University Hospital

“We are excited to have Medibio join this portion of our agenda,” said Joern Watzke, Garmin’s Director Global B2B Sales. “It will be interesting for attendees to hear Medibio’s unique perspective, alongside the other panelists, as they share what they’ve learned in piloting their digital health solution for mental wellbeing.”

The Garmin Health Summit APAC 2019 event will take place October 24 -25 in Taipei. Attendees will gain new insights into Corporate Wellness, Population Health and Patient Monitoring. Full event details can be found [here](#).

“I look forward to sharing lessons from our pilot programs, as well as the re-energized vision for Medbio, with this global audience,” said David B. Kaysen, Chairman, CEO and Managing Director. “It will be an honor to sit alongside the other panelists and highlight the value of collaboration with companies like Garmin and the great work they are doing in digital health.”
