EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement (“**Statement**”) accompanies and forms part of the Company’s Notice of Extraordinary General Meeting of shareholders of Medibio Limited (the “**Notice**”) which will be held at will be held virtually via a webinar conferencing facility at 10.00am (AEDT) on Friday, 11 February 2022. (“**Extraordinary General Meeting**” or “**Meeting**”).

The Notice incorporates, and should be read together, with this Statement.

Background to Resolutions 1 to 4

On 15 December 2021, the Company announced that it was undertaking a capital raising to raise up to approximately \$5.7m (before costs) by way of a \$2.25m Placement to be conducted in two Stages (respectively **Stage One** and **Stage Two**) via issues of Fully Paid Ordinary Shares (**Shares**) at an issue price of \$0.005 (0.5 cents) per Share with free attaching listed options (ASX: MEBOC) (**Attaching Options**) on the basis that one (1) Attaching Option will be issued for ever two (2) Shares Issued (together called the **Placement**). As detailed in announcement released on 15 December 2021, the Placement is to be followed by a Non-Renounceable Entitlement Offer (“**Entitlement Offer**”) which is expected to be underwritten by the Lead Manager to raise up to a further \$3.4 million (collectively known as the “**Capital Raising**”).

CPS Capital Group Pty Ltd (“**CPS**”) was appointed as the Lead Manager of the Capital Raising and is expected to underwrite to the Entitlement Offer. The Company will pay CPS a management fee of 2% and a 4% placing fee for the total funds raised under the Placement. Should the Company be successful in executing an underwriting agreement for the Entitlement Offer, the Company will pay 6% on the total underwritten amount to the Lead Manager.

In addition, CPS will have the option to subscribe for MEBOC listed options in the Company at an issue price of \$0.00001 per option on the basis of ten (10) options for every \$1.00 of all funds raised under the Capital Raising (“**CPS Options**”).

The issue of 260,000,000 Shares under Stage One of the Placement was completed on 20 December 2021 under the Company’s existing Placement capital under ASX Listing Rule 7.1. The Company is seeking ratification of this issue under Resolution 1.

The 130,000,000 Attaching Options relating to the Shares issued under Stage One, and the Shares and Attaching Options relating Stage Two comprising 190,049,250 Shares and 95,024,625 Attaching Options, are proposed to be issued subject to shareholder approval as follows:

- Approval to issue 130,000,000 Attaching Options relating to the Shares issued under Stage One is sought under Resolution 2;
- Approval to issue 190,049,250 New Shares and 95,024,625 Attaching Options under Stage Two is sought under Resolution 3; and
- Approval to issue up to 56,853,315 CPS Options to CPS is sought under Resolution 4.

Resolution 1: Ratification of Prior Issue of Shares under Placement Stage One

Background

As noted above, the Company is seeking shareholder approval to ratify the issue of 260,000,000 Shares on 20 December 2021 at an issue price of \$0.005 (0.5 cents) per Share on the terms as announced on 15 December 2021.

The Shares were issued without shareholder approval from the Company’s 15% placement capacity pursuant to ASX Listing Rule 7.1.

ASX Listing Rules

ASX Listing Rule 7.1 allows the Company to issue new securities up to 15% of the existing capital of the Company in any 12-month period without the prior approval of Shareholders, excluding any issues that are subject to one of the exceptions in ASX Listing Rule 7.2 applies. The issue of the Shares under tranche one of the Placement was within the Company's available placement capacity under ASX Listing Rule 7.1, with 260,000,000 Shares issued under Listing Rule 7.1.

Under ASX Listing Rule 7.4 an issue of securities will be treated as having been made with the approval of shareholders for the purposes of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 at the time and shareholders subsequently approve it. The Company now seeks Shareholder ratification of the issue pursuant to ASX Listing Rule 7.4 in order to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

If Resolution 1 is approved, the prior issue of 260,000,000 Shares may be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the flexibility, if required, to issue additional equity securities without the 260,000,000 Shares counting towards the 15% threshold for the purposes of ASX Listing Rules 7.1.

If this Resolution 1 is not approved, the prior issue of 260,000,000 Shares will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rules 7.1. The Company will therefore have the 260,000,000 Shares, the subject of Resolution 1, as counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1. This will limit the Company's placement capacity under the Listing Rule 7.1.

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- a) The Shares were issued to new and existing shareholders identified as professional, sophisticated and other exempt investors by the Lead Manager CPS. There were no participants in the Placement that were investors required to be disclosed under ASX Guidance Note 21;
- b) the number and class of securities issued were 260,000,000 fully paid ordinary shares in the Company;
- c) the Shares were issued on 20 December 2021;
- d) the Shares were issued at a price of \$0.005 (0.5 cents) per Share; and
- e) the purpose of the issue was to raise funds to be used to:
 - finalise the depressive burden validation trial and submit the data for FDA approval pursuant to a De Novo application;
 - establish the depressive burden trial with Medibio's existing research partner, Medbridge Health, for monitoring of sleep disturbance patients in the home environment;
 - establish the trial with a commercial partner to monitor the effects of pharmaceuticals in psychiatric patients;
 - substantially increase the promotion, sales and marketing activities for the Company's corporate and consumer products, ilumen and LUCA, particularly in the USA; and
 - general working capital.

Board Recommendation

The Board recommends that shareholders vote in favour of Resolution 1.

The Chairman of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

Refer to Note 6 for voting exclusions.

Resolution 2: Approval of Issue of Free Attaching Options under Placement Stage One

Background

As noted above, as part of the Company's Placement announced to the market on 15 December 2021, the Company proposed, subject to any required shareholder approval, to issue 130,000,000 free attaching MEBOC listed options (**Attaching Options**) to the recipients of the 260,000,000 Shares issued under Stage One of the Placement on the basis that one (1) free attaching option would be issued for every two (2) Shares issued.

The Company is seeking shareholder approval under Resolution 2 to issue the 130,000,000 Attaching Options.

ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The Issue does not fall within any of the relevant exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of the Company's shareholders under Listing Rule 7.1.

Resolution 2 seeks the required shareholder approval to the issue under and for the purposes of Listing Rule 7.1.

If Resolution 2 is passed, the Company will be able to proceed with the issue and will issue the Attaching Options to participants in Stage One of the Placement. In addition, the issue will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under Listing Rule 7.1.

If Resolution 2 is not passed, the Company would not be able to proceed with the Issue and would not issue the Attaching Options to participants of Stage One of the Placement.

ASX Listing Rule Disclosure Requirements

The following information is provided in relation to Resolution 2, as required by ASX Listing Rule 7.3:

- a) the free attaching options will be issued to recipients of Shares issued under Stage One of the Placement as announced on 15 December 2021, who were a range of new and existing professional and sophisticated investors introduced by CPS. There were no participants in the Placement that were investors required to be disclosed under ASX Guidance Note 21;
- b) the number and class of securities being issued is 130,000,000 Attaching Options on the basis of one (1) Option for each two (2) Shares issued under Stage One of the Placement, rounded down to the nearest whole number as required;
- c) a summary of the material terms of the Attaching Options are which are an existing class of securities:
 - i. the Attaching Options are intended to be quoted on the ASX, subject to approval by the ASX;
 - ii. each Attaching Option shall entitle the holder to receive, upon exercise, one fully paid ordinary share in the Company;
 - iii. the Attaching Options shall vest immediately upon issue;
 - iv. exercise price shall be \$0.015 (1.5 cents) per Attaching Option;
 - v. the Attaching Options shall expire on 28 February 2024;
- d) the Attaching Options will be issued by no later than three (3) months after the date of the Meeting, however they are expected to be issued on or about 18 February 2021; and
- e) the Attaching Options will be issued for nil consideration as free attaching options in connection with the Placement, therefore the Company will not receive any funds from their issue. In the event that all these Attaching Options are exercised, the Company will receive up to \$1,950,000 which the Company intends to apply towards its business and operational activities and general working capital purposes.

Board Recommendation

The Board recommends that shareholders vote in favour of Resolution 2.

Voting Exclusions

Refer to Note 6 for voting exclusions.

Resolution 3: Approval of Issue of Shares and Free Attaching Options under Placement Stage Two

Background

The Company seeks shareholder approval under Resolution 3 to issue 190,049,250 Shares and 95,024,625 Attaching Options (the “**issue**”) under Stage Two of the Placement.

Subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The Issue does not fall within any of the relevant exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of the Company’s shareholders under Listing Rule 7.1.

Resolution 3 seeks the required shareholder approval to the Issue under and for the purposes of Listing Rule 7.1.

If Resolution 3 is passed, the Company will be able to proceed with the Issue and raise \$950,246 from the issue of 190,049,250 Shares and the issue of 95,024,625 Attaching Options.

If Resolution 3 is not passed, the Company would not be able to proceed with the Issue and will not be able to raise \$950,246 from the issue of 190,049,250 Shares and the issue of 95,024,625 Attaching Options.

ASX Listing Rule Disclosure Requirements

The following information is provided in relation to Resolution 3, as required by ASX Listing Rule 7.3:

- a) the Shares and Attaching Options will be issued to the Unrelated Vendors, being a range of professional and sophisticated investors who are clients of CPS. There are no participants in the Placement that are investors required to be disclosed under ASX Guidance Note 21;

- d) the Shares and Attaching Options will be issued by no later than three (3) months after the date of this Meeting;
- e) the Shares will be issued at an issue price of \$0.005 (0.5 cents) per Share and the Attaching Options will be issued for nil consideration as free attaching options. In the event that all these Attaching Options are exercised be exercised will be utilised towards working capital requirements of the Company; and
- f) the purpose of the issue was to raise funds to be used to:
 - finalise the depressive burden validation trial and submit the data for FDA approval pursuant to a De Novo application;
 - establish the depressive burden trial with Medibio’s existing research partner, Medbridge Health, for monitoring of sleep disturbance patients in the home environment;
 - establish the trial with a commercial partner to monitor the effects of pharmaceuticals in psychiatric patients;
 - substantially increase the promotion, sales and marketing activities for the Company’s corporate and consumer products, ilumen and LUCA, particularly in the USA; and

Board Recommendation

The Board recommends that shareholders vote in favour of Resolution 3.

CPS is entitled to subscribe for options to acquire shares in the Company at an issue price of \$0.00001 per option on the basis of ten (10) options for every \$1.00 of all funds raised under the Capital Raising. The Options proposed to be issued will be issued under the existing class of quoted MEBOC options (**CPS Options**).

Subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The Issue does not fall within any of the relevant exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of the Company's shareholders under Listing Rule 7.1.

If Resolution 4 is passed, the Company will be able to proceed with the issue of up to 56,853,315 CPS Options to CPS.

If Resolution 4 is not passed, the Company would not be able to proceed with the issue of up to 56,853,315 CPS.

YOUR VOTE IS IMPORTANT

For your proxy appointment to be effective it must be received by **10:00am (AEDT) on Wednesday, 9 February 2022.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
